## Minutes of the September Meeting

Sherridan brought four of this year's Lionheads to the meeting.....

The fish were spawned last April and are now about 3 inches and developing good hoods.

Member Alan Ratcliffe sent a collection of very old Heaters and Controllers to be auctioned at the meeting. Most members took at least one of the units home...

Most of the meeting was taken with discussing plans for our Open Show this Saturday.

It was reported that the Bristol Open Show was very successful, with a good auction and our members' fish won several Firsts.

Sherridan won Best Lionhead and Dean won Best Pearlscale. David Padfield had a First

with his Bristol Shubunkin, Phil Riley won Best Bristol over 3 inches.

The Best in Show was a Calico Veiltail by Tony Roberts.

The meeting ended with discussions on the merits and problems with Online data for the club in Twitter and Facebook.

If members want a booking form for the Nationwide Open Show, contact Sherridan asap.

See you all on Friday and Saturday at Stretford.....
